

PROVOST ELEMENTARY

A NATIONALLY DISTINGUISHED SCHOOL

PARENT INVOLVEMENT POLICY 2018-2019

We believe that student success is more likely to occur when parents are involved in the educations of their children.

We will take the following steps to ensure parental involvement at Provost Elementary.

1. We will offer meetings and school programs at flexible times.
2. We will provide multiple opportunities for parental involvement throughout the year.
3. We will provide timely communication concerning school-wide programs and events.
4. We will provide a minimum of two parent-teacher conferences each year. However, parents are encouraged to meet with teachers concerning their student's progress at any time throughout the year.
5. Each year, we will hold the annual Title One meeting (*Back to School Night*).
6. Each year, you may help us review and update the Parent Involvement Policy and School-Parent Compact.
