Name: _____ **Week #** ____ **Date:** _____

It is required to read **100 minutes** a week. Reading 20 minutes a night is suggested, however, I understand that circumstances may come up and 20 minutes a night might not be possible. Please make up your minutes another week day. It is also required to practice math facts for **at least 25 minutes** each week. Record how many minutes a night you read and practice math facts for and have a parent or guardian initial below. Keep this packet in the homework folder and make sure it gets turned in **every Friday**. Reading week starts on Friday (of previous week) and ends on Thursday (day before turning in homework).
