December 2019 *Wonder Kids* News

Thank you for sending food to our Thanksgiving Feast! We had a splendid time and are looking forward to our Gingerbread House Party!

- All of the students in our class are doing great with I See Sam take home books! That is fantastic!!! One student has passed more than 30 books!!! Keep going! We want everyone to pass off 40 by April!
- **We invite all parents, grandparents, and siblings to come see our 15-minute Christmas Show at 8:30 on December 20th in our classroom!**
- On or before December 19th, please send one bag of **candy** for your child to share with the class for **decorating mini gingerbread houses**. The students will bring home their milk carton gingerbread house this day. It is fragile, so they may need help getting it home.
- Thank you for always notifying me AND the office when your child is absent.
- Have a very Merry Christmas and a Happy New Year! It is a pleasure teaching your children. :) Thank you for all you do and know that I really love them and appreciate you!

Happy Birthday to You!
Abraham - 11
Leslie - 13
