

I hope you and yours have a very Merry Christmas and I wish you joy, peace, happiness, and health in 2020!

Thank you so much for donating candy and making the gingerbread house party a big success! These were the best houses we have ever built!

**Important:**

- **Please complete the Term 2 Skills Sheet, mark it, and return it by January 7th, before testing begins.**
- Keep reading to and with your child! Aim to finish Take Home Book #20 by the end of January (if you haven't already). Make a goal to complete #40 by the end of April. One of our students has already passed book 40! So fun to see! :) Congratulations!
- Thank you for sending your child to school appropriately dressed for outdoor recesses.
- Thank you for remembering to record your child's Road to Success Minutes every weekend.

**HAPPY  
NEW  
YEAR!**
