

Mrs. Cannon's Supply List

Dear Parents,

I'm excited to meet you and your child! Because of COVID 19 we have some new expectations and procedures this year. I will share those with you by email, on Canvas, and on the first days of school. Each student will need to have their own basic supplies. Other supplies like tissues and prizes will be shared in the classroom. It would be wonderful if you could contribute to our classroom by bringing the following supplies on the first or second day of school but it is not mandatory. You might also want to purchase some of these supplies for your students to use at home.

Please also have your child bring a backpack to school each day. Each student will be asked to bring their school-assigned chrome books back and forth each day they come to school. The school will give each student a mask and water bottle for them to use at school. If your child takes them home, they will need to be returned each day.

Please send:
