

**Community Council Meeting
Agenda**

February 2023

In Attendance: Kami Alvarez, Patricia Blanton, Teresa Toluta'u, Cindy Goodman, Wendy Jaskowick, Bonnie Hill, Seth Call

I. Safety and Security

a. New SRO

Mrs. Alvarez updated the council that Sergeant Orgill, Provost's SRO, was promoted and is no longer the current SRO for Provost.

II. TSSP (Teacher Student Success Plan (Discussion and Decision)

Mrs. Alvarez asked that the community council change the plan that was voted on last week to purchase books and create a program for students to practice reading at home. She stated that she would continue with that plan but asked to use TSSP money, so she could start purchasing materials now for the program to be ready by next year.

III. Plan for Trustland 2023-2024 Funds New Proposal(discussion, vote)

Mrs. Alvarez discussed with the community council about the plan to have 3 teachers in each grade level and asked the community council to approve a plan to purchase a third 5th grade teacher. It was motioned and unanimously approved to use Trustland funds to purchase another 5th grade teacher.

IV. STEAM

Mrs. Alvarez discussed how the 4th – 6th grade teachers have been working on bringing more STEAM (Science, Technology, Engineering, Arts, and Math) to students. She talked about the lack of participation in the STEM fair after COVID and asked for parents' thoughts on having it be a requirement in possibly 6th grade. Parents were supportive but were worried about the stress that may put on teachers.
