Parents! It's a new school year and a new opportunity to apply or reapply for free and reduced meal benefits for the 2023-2024 school year on myschoolapps.com.

Students who received free or reduced-price meals last year will continue to receive benefits until September 28, 2023, without a new meal application. After this date, parents or guardians **must** complete a new application for meal benefits to continue for this school year. Parents or guardians may also apply or reapply for free/reduced-price meals anytime during the school year if they have a change in household size or income.

Using the portal is easy and convenient, so visit the [webpage](#) soon to access the online application portal.

Not sure if your child is eligible for free or reduced meals? No problem! They've got you covered. Follow the secure and straightforward [online application process](#) to find out if you qualify and proceed to apply without any hassle.

Completing the application takes 10-15 minutes of your time, and the benefits can make a significant impact for your students.

By qualifying for free or reduced meals, you could save hundreds of dollars throughout the school year while ensuring your child receives delicious and nutritious meals.

We encourage all eligible families to take advantage of this opportunity. Providing balanced meals for your child contributes to their well-being and supports their academic success.
