- III. Rules of Order and Procedure Updated and approved by the Council- We were asked to look into this and we will come back to it.
- IV. Need to Vote on a new vice chair and need a new member- Was decided we were ok
- V. Summary of Goal and Funds from last year- We were given a copy of the Provost Elementary FY24 School improvement plan to review. This is also found on the web site.  
The Principal gave some background of the state's goal that in 2027 70% of 3rd graders will be reading on grade level. The district is in the process of writing up a plan for this.  
An action plan for the school is the Title One night. It will include showing the parents how important reading is, family time, and reading out loud. The first one to be on Nov 6th with a presentation and dinner.  
We talked a lot about how we thought some of the funds were going to be used on take home books and that we are interested in looking into this further for the future. It would include books that the kids would take home to read and get passed off. They would be Decodable and individuals reading level books to help with improvement and get them up to grade level reading. We discussed ways to encourage the kids to read. Might include ebooks, Reading club, a parents class on how to help your kids to read (Title one Nigh), and earning points for rewards  
It was Decided to take our thoughts back to the teachers to find out what would be helpful to them. What support would they need?
- VI. Safety and Security- didn't have time to really discuss anything but mentioned the want to improve the safety out on the Black top.
