

PROVOST ELEMENTARY

After School Enrichment Clubs

Jan. 22 - April 12, 2023

We are so excited to announce our next semester of After School Clubs at Provost Elementary. We are going to try something new this semester and do our signups digitally. On **Wednesday, January 10th** you will receive an email around 7:00 am with a link to a google form. This form will ask you for your top 5 clubs. Once submitted the form will be time stamped. We will add students into clubs according to the timestamp on the google form. If you do not get into your first choice, we will automatically look at your second choice and then third choice and so on. You are not registered for a club until you receive an email saying that your student made it into that club. If you do not receive an email saying they are in that club then the club was full when you submitted your google form. We are able to do this because there is no fee to be in clubs this semester.

Due to the high demand of clubs, your student will only be registered for **ONE club** during sign ups. There will be a question on the form that asks if you would like your student to be considered for a second club. If clubs have space they will be registered for a second club and you will receive an email or phone call from us. We will also send an email out with a list of clubs with open spaces so that people can call the school to register on Thursday as well. We will also have a waiting list for clubs that fill up.

If your student signs up for a club and misses that club more than twice in a row, without a parent letting us know that they will be gone that day, we will replace them with another student. If they are sick or you let us know via email they will be gone that day, their space will be saved. That way we don't waste the space on students who end up not wanting to be in clubs.

Hidden Treasures

Come listen to some amazing stories. Rest, relax, and grow your brain at the same time! Mrs. Buck will read books out loud that you may never have heard of (and definitely have never read). We will celebrate each book we finish with a fun project. We will start off reading the real "One Hundred and One Dalmatians" and making our own dalmatian sculptures.

Line Dancing

Last year Miss Griggs started line dancing with her 1st grade students during recess, and they loved it! Soon after, students of all grades were joining in on the fun! So this year we decided to start a club. Students will learn several different line dances throughout the semester and then perform them in our after school showcase on Dec. 14th.

This is a relaxed, fun, no stress club to help students get out of their comfort zones (and get good exercise 😊).

Let's DANCE!!
